Greece, officially the Hellenic Republic, is one of the most historic countries. Located in Southern Europe, Greece is strategically located at the crossroads of Europe, Asia, and Africa. This makes it a prime location for investors with a global business mind-set. Being in the Mediterranean, it benefits from mild winters and hot, dry summers. Besides its cultural significance and summer sunshine making it a prime tourist location, **Greece warmly welcomes investors** seeking business opportunities and offers its residents a high quality of life and a very high standard of living.

The Greek Government greatly invites foreign citizens (non-EU) to reside in Greece and move freely to the Schengen zone. The Greek government has thereby adopted a friendlier stance towards those who wish to own real estate property in the Country. The minimum value of the property has been set to **two hundred and fifty thousand Euros (€250,000)**. The residency permit is granted for five (5) years and it is renewable for as long as the property remains in the possession of the initial owner. The Greece Residency Permit, allows the investor and their direct family, to live, study and work in Greece and other EU member countries provided they meet the necessary requirements.
