INTRODUCTION

The Law 5038/2023 regulates the Digital Nomad Visa regime for foreigners who wish to work remotely from Greece.

WHO IS ELIGIBLE FOR A DIGITAL NOMAD VISA?

WHICH AUTHORITY IS COMPETENT FOR THE ISSUANCE OF THE DIGITAL NOMAD VISA?

The Greek consular authority of the place of main residence of the applicant is competent to issue a National Visa D/Digital Nomad Visa category, by applying a fast track process. The VISA is valid for one year and two months before its expiration, the applicant can file for the residence permit before the competent decentralized immigration office based on his/her place of residence in Greece.

WHAT IS THE BASIC REQUIREMENT FOR THE ISSUANCE OF A DIGITAL NOMAD VISA?

In order to be eligible to a Digital Nomad Visa, the applicant is required to provide evidence that he/she has sufficient resources, as a stable income, to cover his/her living expenses during his/her stay in the country, without burdening the national social welfare system. The amount of sufficient resources is set at three and a half thousand (3,500) euros per month.

If the applicant's resources derive from dependent employment or independent provision of services, the above minimum amount refers to the net income, after payment of the required taxes in the country where the employment or services are provided.

The above amount is increased by twenty percent (20%) for the spouse or cohabitant and by fifteen percent (15%) for each child. Additionally, the applicant is required to provide documentation proving that he/she is a dependent employee or self-employed person working remotely with employers or clients outside Greece, covering the validity period of the Digital Nomad Visa.

I AM ALREADY IN GREECE, AM I ELIGIBLE TO A DIGITAL NOMAD VISA?

ARE FAMILY MEMBERS ELIGIBLE FOR A VISA?

Family members are eligible for an individual visa, valid for the same period as the digital nomad visa, that does not provide right of employment or professional activity in Greece.
