The Citizenship by Investment Program of the Economic Citizenship Program of the Commonwealth of Dominica was established in 1993.

The citizenship program of the Commonwealth of Dominica requires making an economic contribution to the country. You and your family obtain an irrevocable citizenship for life with no need to reside in the country and most importantly no need to give up your current nationality.

INVESTMENT OPTIONS

Under current regulations, to qualify for citizenship of the Commonwealth of Dominica under its Citizenship by Investment Program, the Government requires either a contribution made into the **Government Fund** amounting to **USD 200.000** depending on the number of dependants included in the application or an investment in designated **Real Estate** with a value of at least **USD 200.000**.

Economic Contribution

This option involves a one-time, non-refundable contribution to the Government. Starting from **USD 200.000**, this method allows applicants to play a major role in forging Dominica's future. In the past, EDF contributions have enabled Dominica to better support its communities with key infrastructure projects and lead the nation to more sustainable outcomes.

	Single applicant	USD 200,000
	Main applicant and up to three dependants	USD 250,000
	For any additional dependant under the age of eighteen	USD 25,000
	For any additional dependant eighteen years of age or older	USD 40,000

Guidance on payments for the EDF Route

The applicant is responsible for paying the full minimum contribution amount required under the laws and regulations that govern the Dominica Citizenship by Investment Program.

Therefore, when making the payment via bank transfer, the applicant must also pay any applicable bank charges, so that the contribution amount is received by the Government in full.

Full minimum contribution amounts are expressed in United States dollars (USD).

Investing in pre-approved real estate

Under this option, with an investment of **USD 200.000**, applicants have the opportunity to own a piece of Dominica's prime real estate developments. Realising the island's potential as a destination for eco-tourism, world-class brands such as Hilton's Curio, the Marriott, and the Kempinski are all offering strong investment opportunities.

	Single applicant	USD 75,000
	Main applicant and up to three dependants	USD 100,000
	For any additional dependant under the age of eighteen	USD 25,000
	For any additional qualified dependant aged eighteen years of age or older	USD 40,000

Mandatory Interviews

All applicants 16 years of age or over will be required to attend a mandatory interview. During this time, a third party due diligence agency will perform stringent background checks on the information you have provided.

Thereafter, applicants and their dependants will attend virtual interviews; agents/promoters cannot attend interviews on their behalf. How to Apply

STEP 1

Choose the investment option that is right for you. An applicant has two options for investment in order to gain citizenship. One is a non-refundable contribution to the Government's Economic Diversification Fund. The other is by investing in a pre-approved real estate development.

STEP 2

Contact a qualified and trusted advisor to assist you in the submission of your application.

STEP 3

Gather the required forms and documents. There is no requirement to travel to Dominica.

STEP 4

Once your Authorised Agent is confident that your application fulfils all the requirements, your application will be submitted to the CBIU.

STEP 5

The CBIU will begin processing your application. During this time, a third party due diligence agency will perform stringent background checks on the information you have provided. All applicants sixteen years of age or over will be required to attend a mandatory interview.

STEP 6

If the CBIU is satisfied that your application fulfils all the criteria, it will submit your application to the Minister for Finance/Citizenship for review and final approval.

STEP 7

If successful, you will receive a letter informing you that your application has been approved in principle. Successful applicants often receive approvals 90 days from submission.

STEP 8

At this point, you must make the relevant contribution to the Government of Dominica, or deposit the minimum real estate investment into a designated escrow account.

STEP 9

You are issued with a certificate of naturalisation indicating that you have become a citizen of the Commonwealth of Dominica.

STEP 10

In a separate process, your Authorised Agent may then apply for your passport.
